Pilot Mike Miller (center) with Larry and his brother

"To Wings of Mercy,
Thank you very much for considering me for a flight to
Mayo Clinic. I'm a 70 year old man on a fixed income
and Mayo's experts could give me more years to spend
with children and grandchildren. The doctors in
Michigan were not prepared to do surgery on my
aneurysm due to the size and risk of complications.
This trip out there could be a life saver or just another
opinion, but I would like to take the chance!

Thank you,
Larry Moore"

This is the personal note that came with Larry's
application to Wings of Mercy. How could we say no?
We don't say no and pilot Mike Miller with CJ Miller
and Steve Melvin made the trip happen.

Larry heard about Wings of Mercy from a friend whose
daughter was a pilot for us back in the 1990's, so you
should know that the work you do now may help
someone 20 years from now.

Thank you all for giving wings to those is need!
