our amazing Muskegon volunteers, the events raised close to \$50,000 for Wings of Mercy!

A huge THANK YOU to our host, [Executive Air Transport](#); we couldn't do it without you!!

Check out the photos on Facebook at [Wings of Mercy, Inc.](#)

Our next exciting summer event is the [Wings of Mercy FunDay and Runway 5K](#) on Saturday, July 14 at Campbell Airport in Grayslake IL.

You can register online for the run at [Lake County Runway 5K](#). Same day registration will be available at 7 AM with the race starting at 8 AM. After that, stick around for a cookout lunch (included with your race registration) served from 10 AM to 3 PM and lots of family fun activities including an airplane and car show, silent auction, pet adoption, police and homeland security dog shows, hayrides, and many more fun activities.

Mark your calendars for the [Holland CareAffaire Pancake Breakfast and Runway 5K](#) at KBIV on Saturday, August 25.

We would love to see you at one of our events!

Patient Story: Update on Corinne Bass

Success story: Corinne Bass

Last year Wings of Mercy pilots Gary VanderVeen and Andrew Gibson flew Corinne Bass out to DC for transplant therapy treatment.

Working with the Helen DeVos Children's Hospital Wings of Mercy helped Corinne fight her battle with Aplastic Anemia.

She has since gone on to graduate high school and travel to New York where Make-a-Wish granted her a photo shoot with a famous fashion photographer.

Corinne recently was able to meet the woman who donated bone marrow that saved her life.

Corinne meets her donor.

Here is the link to the news report about the meeting:

<http://abc7.com/health/venice-donor-young-bone-marrow-recipient-meet-for-1st-time/3201925/?sf184236700=1>

Pilot Perspective

Wings of Mercy pilot Kevin Dingman has another article in Twin and Turbine this month:

Wings of Mercy is a 501 (C)(3)
non-profit organization funded
solely by individual and
corporate contributions.

If you are able to help out,
click below to donate.

Wings of Mercy is a volunteer organization that provides free air transportation for people with limited financial means who need treatment at distant medical facilities. Patients are carried on private aircraft by volunteer pilots.
